in this stimulating study scott romine explores the impact of globalization on contemporary southern culture and the south s persistence in an age of media and what he terms cultural reproduction rather than being compromised romine asserts southern cultures are both complicated and reconfigured as they increasingly detach from tradition

in its conventional sense in considering souths that might appear fake the souths of the theme restaurant commercial television and popular regional magazines for example romine contends that authenticity and reality emerge as central concepts that allow groups and individuals to imagine and navigate social worlds romine addresses a major critical problem authenticity in a fundamentally new manner less concerned with what actually constitutes an authentic or real south than in how these concepts are used today the real south explores a wide range of southern narratives that describe and travel through virtual simulated and commodified souths where earlier critics have tended to assume a real or authentic south romine questions such assumptions and whether the authentic south ever truly existed from gone with the wind civil war reenactments and a tennis community outside atlanta called tara to the work of josephine humphreys the travel narrative of v s naipaul and the historical fiction of lewis nordan romine examines how narratives and spaces are used to fashion social solidarity and cultural continuity in a time of fragmentation and change far from deteriorating or disappearing in a global economy romine shows the south continues to be reproduced and used by diverse groups engaged in diverse cultural projects

those who don t believe in miracles should take a look at what brought dakota johnson from obscurity to the pinnacle of stardom as anastasia steele in the motion picture fifty shades of grey but who is dakota johnson a surprisingly accomplished and driven actress this is not some celebrity kid given a plum role because of her connections to old world hollywood in the real steele the unauthorized biography of dakota johnson you ll see how she went from a life of tranquility and yes privilege at the feet of superstar parents don johnson and melanie griffith to a determination to succeed that has led her down many paths first there was a career as an international model then to growing recognition in a string of successful studio and independent films and finally to her big break in fifty shades of grey johnson has proven a literal force of nature always moving forward and always using a natural sense of positive energy to dissuade the naysayers who would line up to take her down through exclusive interviews

with childhood friends and acting coaches marc shapiro has put johnson s life and times much like the actress herself in a straightforward and always enticing biography

employing a dynamic model of the relationship between text and context jones shows how more than thirty relevant writers including madison smartt bell larry brown bebe moore campbell thulani davis ellen douglas ernest gaines josephine humphreys randall kenan reynolds price alice walker and tom wolfe illuminate the complexities of the color line and explore problems in defining racial identity today
