what is the prayer of freedom the prayer of freedom is a powerful prayer that sets people free from many of life s most challenging issues mental issues such as depression bipolar disorder and anxiety or health issues such as asthma fibromyalgia and arthritis or even personal issues like constant relationship failures addictions and more the secret to the prayer is when we follow god s laws he intervenes and helps restore our lives to illustrate here is the result of a survey i did with the prayer of freedom i do volunteer teaching at an addiction recovery center as you might imagine these people are dealing with all kinds of issues in their lives addictions depression anxiety bipolar disorder anger issues abuse trauma and much more while preparing to write this book i wanted to statistically measure how effective this prayer is so i did a survey with them i had each of them in my classes write a list of issues they were dealing with in their lives then rate each issue on an intensity scale to indicate how bad it was next i had them do the prayer of freedom once they did they updated me on what happened in their lives here s what their data showed nearly 9 out of 10 90 of those surveyed received significant relief from their issues while the remaining 1 out of 10 reported only minimal relief of the 90 who received significant relief i broke down their results even more now keep in mind these people had a lot of issues going on in their lives much more than your average person most of them had been abused or abandoned many had lived on the streets and most had been living with multiple addictions and all the associated issues that come along with them for years even with the accumulation of all these problems all but one saw almost all of their issues completely disappear 100 relief of everything from mental torment heaviness depression bipolar disorders anxiety addiction urges for drugs alcohol pornography and sex all kinds of physical maladies and pain they had suffered with for years all of it gone and then for those few issues that still remained the average intensity had been reduced to about one third of their original levels before beginning the prayer that doesn t mean those remaining issues won t go away it just means that by the end of the survey time about one month some issues still remained but with continued prayer i believe the majority will likely disappear too how does this prayer work it simply taps into god s spiritual laws as laid out in the bible and when we follow his laws he

brings the relief in this book you'll learn about these spiritual laws and how to apply them in your life through this very specific prayer additionally you'll read amazing stories of what god has done in many peoples lives stories that seem unbelievable until you understand how god's spiritual laws work if you or a loved one suffers from constant health issues relationship issues and even career or job related issues based on what i've seen you have about a 90 chance to get free of them with the prayer of freedom it works if you pray it for yourself and it works if you pray it on behalf of a loved one a child spouse or parent so please get a copy of the book i promise you won't be sorry you'll be amazed be blessed beatty carmichael
