we live in a world where no one truly knows what it means to be a woman for centuries we've had to fight for our rights and our place in society we constantly have to strive to be respected and recognized for our successes and abilities as we grow up many women are shamed for whatever they do they are told to lose weight to look more flattering gain weight to look more feminine become smarter to earn a place in society play dumb because males feel threatened and the list goes on many of us feel like we always have to tweak our appearance or behavior to become more likable and appealing the worst part is that no one seems to realize or accept that we would still be called out no matter what we do feminine in our society is often perceived as less we allow everyone's expectations perceptions and behavior to tear right through us though that's because no one realizes the power that comes with being a woman a magnificent force lies inside every woman known as the divine feminine or the sacred feminine this force is a representation of the connection we have with the mother goddess it is an inner power that calls us to the mother goddess and breathes life into us

sacred woman sacred dance is the first book to explore women's spiritual expression through a study of dance it shows how dance came to be excluded from worship and reveals how dance is once again being integrated into spiritual practices

tammy wynette once sang sometimes it's hard to be a woman she could have stopped right there as a matter of fact it's usually hard to be a woman in a society that often seems intent on ignoring our unique challenges as human beings portrayed as nurturing helpers mothers or shrews women continue to struggle against a cluster of stereotypical roles attached to our sex while men have their own unique challenges and struggle under sex stereotypes of their own many of the problems women face are rooted in our biological reality and our reproductive capacity as young girls we watch our bodies change and suddenly come under the male gaze we begin to menstruate experiencing the first indication of our otherness in the uncanny reality that we bleed every month yet don't die in this book sacred woman holistic healing you'll find a safe harbor from the storm that rages all around you you'll find the healing that brings you and your way of being into the center of the conversation not an afterthought women's healing is the subject of this book and women's struggles are what we're all healing from

hey dear young lady just take a look inside and write down what you concentrate on the body and spirit as one write about your sacred love and rejoice in your bodies by spiritualizing the words within your heart the partnerships you attract the spaces you reside and function in and the transcendent woman spirit you manifest by exceptional meditations and writing down your feelings sacred ones and the rites of passage guidance be the queen and lead your followers to embrace their mission and mantle as sacred women to love themselves and the other women in families with compassion knowledge and passion
